

WELCOME TO DIGITAL WORLD

Hi, I'm Gaurav Singh a Professional Coder.

I'm Gaurav Singh (gauravsinghigc)! I specialize in digital marketing, IT support, full-stack development, and CRM solutions. I have expertise in creating custom web solutions, advanced authentication systems, and Android/iOS cross-platform mobile app development. I'm here to help your business thrive with professional, end-to-end IT services tailored to your needs. Let's bring your ideas to life together!

FIND ME @

Welcome to Gaurav Singh (Gauravsinghigc)

Hello, I'm Gaurav Singh, widely recognized as **[gauravsinghigc](#)**. Based in Faridabad, I've been active in the IT industry since 2019, serving clients across the Delhi-NCR region. As a full-stack developer, IT support specialist, and digital marketing expert, I deliver tailored solutions to help businesses thrive in today's competitive digital landscape. My expertise includes developing secure web solutions, creating cross-platform mobile apps, and crafting data-driven digital marketing strategies to boost visibility and ROI. Additionally, I specialize in designing advanced authentication systems, providing comprehensive IT support, and implementing innovative CRM solutions to streamline operations.

My services range from building responsive, SEO-optimized websites and developing custom CRM systems to offering seamless mobile app development and cloud integration. I also provide digital marketing services, including SEO, PPC, and social media management, to enhance online presence. Whether you need technical support, website maintenance, or robust IT solutions, I'm committed to delivering high-quality results that align with your business goals. Let's collaborate to turn your ideas into reality and drive your business toward success! Contact me today to get started.

SOCIAL MEDIA MARKETING

LEAD GENERATION

We manage generic promotion strategies to increase your brand's visibility and reach. Our services include **Social Media Promotion** for boosting engagement across platforms like Facebook, Instagram, and Twitter, **Email Marketing** to reach your audience directly with tailored messages, **Content Marketing** for creating valuable content that drives traffic and builds trust, and **Influencer Marketing** to leverage the reach of influencers for brand endorsement. Additionally, **Event Promotion** to highlight upcoming events or webinars.

Process we follow in generic promotion:

- **Strategy Development:** We create a detailed plan to outline your promotional goals and target audience.
- **Content Creation:** We develop high-quality content, including blog posts, social media updates, and newsletters, designed to engage and inform your audience.
- **Social Media Management:** We schedule and manage posts, interact with followers, and monitor engagement to build a strong online presence.
- **Email Campaigns:** We design and send informative and engaging emails to your subscriber list.
- **Public Relations:** We craft press releases and manage media relationships to boost your brand's reputation.
- **Community Engagement:** We foster active interaction with your audience through forums, social media groups, and events.
- **Performance Tracking:** We monitor key metrics such as website traffic, engagement rates, and website enquiry assess effectiveness.

Our organic promotion strategies are **cost-effective** and **build long-term relationships** with your audience. They offer **increased brand visibility** through high-quality content and SEO, leading to improved **search engine rankings** and **website traffic**. The strategies **enhance audience engagement** and foster a **strong brand reputation** through effective PR and community interaction. Additionally, our approach provides **insights into audience behaviour**, helping you refine and improve your promotional efforts continuously.

Activities we performed;

- 4 creatives weekly will be published including creative designs + festival & events post + short videos/reels + Instagram reels
- All creatives will be published on Facebook (Meta), Instagram, LinkedIn and Twitter.
- Festival Creatives, Event Creatives, Important Dates will be to published.
- Relative community interest and content published.
- Page & profile back link generation over similar communities.
- Trending content creation and hashtag promotion.

META ADS (FACEBOOK & INSTAGRAM)

We create and manage Meta Ads (formerly Facebook Ads) to enhance your online presence and drive results. Our services include **Feed Ads** for displaying in users' social media feeds, **Stories Ads** that appear between user stories on Facebook and Instagram, **Carousel Ads** for showcasing multiple products or services, and **Video Ads** to engage audiences with dynamic content. We also offer **Lead Ads** for capturing user information directly within the platform and **Collection Ads** for a streamlined shopping experience.

Process we follow for Meta Ads & Promotion;

- **Objective Setting:** We start by defining your campaign goals, such as increasing brand awareness, generating leads, or driving website traffic.
- **Audience Targeting:** We utilize advanced targeting options to reach your ideal audience based on demographics, interests, behaviours, and more.
- **Ad Creation:** We design eye-catching visuals and write persuasive copy to capture attention and drive engagement.
- **Budget and Bidding:** We manage your budget and set bidding strategies to optimize ad spend and achieve the best results.
- **Campaign Setup:** We structure and launch campaigns across suitable Meta platforms, including Facebook and Instagram.
- **Monitoring and Optimization:** We continuously track performance metrics and make data-driven adjustments to improve ad effectiveness.
- **A/B Testing:** We test different ad variations to determine which performs best.
- **Reporting:** We provide comprehensive performance reports, including metrics such as impressions, clicks, and conversions, along with actionable insights.

Our Meta Ads campaigns are **highly targeted**, allowing you to reach specific audiences with precision. They offer **customizable ad formats** and **creative options**, resulting in increased engagement and conversions. The campaigns are **optimized for performance**, with continuous monitoring and adjustments to enhance ROI. We also deliver **detailed analytics** and **insights**, helping you track success and refine future advertising strategies.

Activities we performed:

- Up to 10 Active Campaigns for 1 Projects, Multiple Ad sets, Multiple Ad creatives, + AB Testing for all these campaigns.
- It is to be informed when the meta balance will be exhausted, you will need to add the budget accordingly to your budget(amount) preferences.
- Ad placement will be Facebook, Instagram, Messenger
- Ad creative design
- Ad fund will be client side
- Daily ad budget allocations

We design and manage Google Ads campaigns to drive traffic and achieve your marketing objectives. Our services include **Search Ads** that appear on Google's search results pages, **Display Ads** for visual banners shown across the Google Display Network, **Video Ads** on YouTube and other video platforms, and **Shopping Ads** for showcasing products directly in search results. Whether you need **Remarketing Ads** to re-engage previous visitors or **App Promotion Ads** to boost app installs, we tailor each ad type to fit your business needs.

Process for Google Ad & Promotion:

- **Goal Definition:** We start by setting clear objectives for your campaign, such as increasing website traffic, generating leads, or boosting sales.
- **Keyword Research:** We conduct thorough research to select effective keywords that match your target audience's search intent.
- **Ad Creation:** We craft compelling ad copy and design engaging visuals to attract clicks and conversions.
- **Budget and Bidding:** We manage your budget and set bidding strategies to optimize ad spend and maximize ROI.
- **Campaign Setup:** We structure and launch campaigns across appropriate networks and ad formats.
- **Monitoring and Optimization:** We continuously track performance metrics and make adjustments to improve ad effectiveness.
- **A/B Testing:** We test different ad variations to determine the most effective approach.
- **Reporting:** We provide detailed performance reports, including metrics like clicks, impressions, and conversions, along with actionable insights.

Our Google Ads campaigns are **highly targeted**, ensuring your ads reach the right audience based on search behaviour and demographics. They offer **customizable formats** and targeting options, leading to **better engagement and conversions**. The campaigns are **optimized for performance**, with ongoing monitoring and adjustments to maximize ROI. We also provide **detailed analytics** and **insights**, allowing you to track campaign success and refine future strategies.

Activities we performed:

- Creative Search Ads for website/projects traffic and brand awareness
- Up to 10 Active Campaigns for 1 Projects. We will create Multiple campaigns; multiple ad groups and multiple Ad copies will be created. We will also do A/B Testing of these campaigns.
- 1 active display ad for lead generation
- Keyword analysis
- Weekly Google Analytics Report for performance
- Free Google Map Listing
